

2015

CySEC's Exams – Up to September 2015: Basic & Advance Certification of Employees of Investment services firms and credit institutions licenced to operate in the republic

Nicosia: 16-April-2015

Introduction

GP GLOBAL LTD in collaboration with, **MEERKAT CITY, 360 CONSULTING**, and other prominent industry professionals are co-organizing the exam preparation courses for the certification of persons employed in the Cyprus financial services sector.

The wealth of multi-disciplinary & hands-on experience of the organizing parties (covering pragmatically all aspects of the applicable legislation) gives rise to courses that are mostly resourceful and industry-focused, and can help attendees to succeed at the relevant exams and in their professional engagement in the industry.

We remain at your disposal and look forward to welcoming you and your staff to our courses.

CySEC's Exams

The Cyprus Securities and Exchange Commission (“the Commission”), has announced on 17/04/2014 according to the provisions of Article 53 on Investment Services and Activities and Regulated Markets Laws of 2007-2012 (the “Law”), that the next exams for the certification of persons providing investment services and employed by Cypriot Investment Firms, Credit Institutions, Management Companies and Investment Companies of Variable Capital are planned to take place in September 2014. The exams will be conducted electronically.

Basic Examination

The aim of the Basic examination is to ensure candidates can apply a level of knowledge and understanding appropriate for individuals engaged in:

- Reception and transmission of orders in relation to one or more Financial Instruments
- Execution of orders on behalf of client
- Marketing of Collective Investment Schemes.

Basic examination is a 1-hour examination consisting of 50 multiple choice questions. Candidates sitting the exam by Computer Based Testing may have, in addition, up to 10% of additional questions as trial questions that will not be separately identified and do not contribute to the result. Candidates will be given proportionately more time to complete the test.

Advanced Examination

The aim of the Advance examination is to ensure candidates can apply a level of knowledge and understanding appropriate for individuals engaged in:

- Reception and transmission of orders in relation to one or more Financial Instruments
- Execution of orders on behalf of clients
- Marketing of collective investment schemes
- Dealing on own account
- Portfolio Management
- Investment Advice
- Underwriting financial instruments
- Performing the activities of collective portfolio management and risk management for collective investment schemes (either UCITS or AIFs).

Advance examination is a 90-minute examination consisting of 70 multiple choice questions. Candidates sitting the exam by Computer Based Testing may have, in addition, up to 10% of additional questions as trial questions that will not be separately identified and do not contribute to the result. Candidates will be given proportionately more time to complete the test.

Holder of Advance Certificate

Working Experience in CIFs:

- **Board of Directors of CIFs**
- **Internal Auditor of CIFs**
- **Compliance/AML Officer of CIFs**
- **Risk Manager of CIFs**
- **Chief Operating Officer**
- **Member of Investment/Risk Committees**

Mr. Yiannos Christofides holds a Bachelor’s degree in Finance & International Business from Florida Atlantic University, and a graduate in MSF (Master of Science in Finance) with Honors from Florida International University. He also holds Advance Certificates of professional competence from the Cypriot Ministry of Finance.

Over the years, Mr. Christofides has gained wealth of knowledge and excellent understanding of the financial industry throughout his deep interaction with regulated and established financial services firms offering the full range of investment and ancillary services in both Equity and FX markets.

Dr. Marios Charalambides

*Director of Corporate Services & CCO MEERKAT CITY LTD
Holder of Advance Certificate*

Working Experience in CIFs:

- **Compliance/AML Officer of CIFs**
- **Risk Manager of CIFs**

Dr. Marios Charalambides was awarded a PhD degree in Social Sciences from Brunel University, London, in 1998. His research was focused on the price performance of Initial Public Offerings (IPOs) in the UK.

Following a year in academia, Dr. Charalambides joined Laiki Investments in 2000 as a Research Analyst, primarily responsible for preparing buy-side research and analysis reports on global and domestic exchange traded companies. His responsibilities also included the development of database, valuation and reporting models which included, development of macroeconomic variables (assumptions), risk analysis, SWOT analysis, forecasting and competition analysis.

From 2002 until 2013, he worked for Laiki Bank in the Economic Research & Planning department and consequently as a Senior Officer in the Business Banking Division where he was responsible for managing a €100m corporate portfolio granted to companies operating in every sector of the economy. From September 2013 he is a member of the Meerkat City team, acting as a Director of Corporate Services & Chief Compliance officer.
