

FXPRIMUS, The Safest Place To Trade, announces the appointment of Marshall Gittler as Head of Investment Research

Monday 02 November 2015, London, **FXPRIMUS – The Safest Place To Trade**, has announced the appointment of renowned financial analyst Marshall Gittler, as the new Head of Investment Research. As part of this new appointment, he will be utilizing the most cutting edge media, web and print channels to disseminate his own unique brand of financial analysis to clients of FXPRIMUS, in order to empower them with the knowledge to make the best investment decisions.

This announcement comes as part of the Company’s overall strategy to provide the highest quality services and offerings to clients, via the unequalled FXPRIMUS safe trading environment.

Director & CEO of FXPRIMUS, Terry Thompson commented: “It is with great pleasure that we announce the appointment of the world famous Marshall Gittler – the guy with the bowtie – to FXPRIMUS. Marshall is one of the most established and experienced financial analysts worldwide, and we are delighted to add his unparalleled insight to our world class offerings, to traders all around the world.”

Note: FXPRIMUS is pleased to extend an invitation to press and financial media, to attend today’s FXPRIMUS Press Launch at the Montcalm Hotel, London City on Monday 2 November at 1500, and for a unique opportunity to meet with Marshall Gittler along with executive staff of the FXPRIMUS management team.

About FXPRIMUS Europe (CY) Ltd

FXPRIMUS Europe (CY) Ltd is globally acclaimed for offering one of the safest and most secure online trading environments available anywhere in the forex industry. The company enables clients of all experience levels to trade multiple instruments including forex, commodities, energies and indices, via a range of advanced web and mobile trading platforms. Lightning quick execution via state-of-the-art execution systems worldwide combine to create a seamlessly efficient trading environment.

Client funds are protected via an unshakable risk management model, built to withstand any unexpected market volatility. Through the advanced risk management systems, featuring strict regulation, negative balance protection and segregated client funds, the company offers an unprecedented safeguarding of client assets. We are also fully regulated by CySEC, and in full compliance with the regulations of Markets in Financial Instruments Directive (MiFID.)

In January 2015, FXPRIMUS Europe (CY) Ltd announced its official partnership Manchester City Football Club.

About Marshall Gittler

Marshall Gittler is a renowned global financial analyst with over 30 years' experience researching the markets, having written his first FX report in 1979. His career spans a range of elite investment banks and international securities firms including UBS, Merrill Lynch, Bank of America and Deutsche Bank. Marshall held tenure in critical positions of importance including as Chief Investment Officer at Bank of China (Suisse), Head of Asian FX Research for Bank of America, Chief Strategist for Deutsche Bank and member of their investment committee. Marshall most recently acted as Head of Global FX Strategy for IronFX and has now established himself as global thought leader for clients of FXPRIMUS, educating and delivering high level FX research, in order for traders to make the best trading decisions. Marshall has a unique intuition in the financial markets and is a global expert in the field of fundamental analysis.
